ABOUT OUR SPEAKERS

Becky Larsen
Life Specialty Coatings

Becky is the business development manager for Life Specialty Coatings based in Santa Fe Springs, CA. She has been key in the creation of successful business strategies

and works to build successful client and business partner relationships for the company, understanding the importance of education in the industry. For over three years, Becky has been the driving force in many of the popular SB326 educational courses in the industry.

**James R. McCormick, Jr.,
CCAL**
Delphi Law Group, LLP

Since starting in the industry in 1996, James has served on various industry committees and has published many industry-related articles. As a result of his

work in this industry, James is one of approximately 150 attorneys nationwide to be granted a fellowship in the CAI College of Community Association Lawyers. James is passionate about teaching, currently serves as an adjunct professor for USD School of Law and has created programs for managers and Board members.

**Adam Rohrbaugh,
AIA, NCARB**
A7 Group, Inc.

Adam Rohrbaugh founded A7 Group, Inc. in 2010 after gaining more than 20 years of diversified architectural and construction related

experience. A7 is an industry leader and at the forefront of SB326 inspections in Southern California and is currently the only company working with the City of San Diego to establish intake procedures for communities where SB326 inspections expose an immediate threat to the health and safety of residents.
